

REJECTED!

With 96.53% Participation, You Voted to Reject the Tentative Agreement

Make Your Voice Heard, Take the Member Survey.

You made it crystal clear with your overwhelming participation, you are not happy with the proposed tentative agreement.

Moving forward, the AMFA Negotiating Committee wants to hear from you. Follow the link below to let your Negotiating Committee know what you believe needs to be included in a contract that you would ratify.

Our AMFA Members will remain unified as we continue with the negotiation process and fight for what is justifiably yours in this next offer.

Southwest Airlines believed they could wait you out after a prolonged negotiation process. The Company honestly believed they had 50%+1 of you that would vote to ratify this sub-standard offer. They thought you were tired and would settle.

But you are fighting and so are we!

It remains our position that Southwest Airlines Aircraft Maintenance Technicians (AMT) are entitled to a better compensation package, and the Negotiating Committee explained why on the completed 13 station road shows across the Southwest system.

Make your voice heard, complete the survey and tell your negotiators what you expect to see in the next TA.

Polls Are Open Through 11:59 p.m. On October 9, 2018
